

YOGADOMES

A group of people are practicing yoga and meditation inside a large, white geodesic dome with a blue metal frame. The dome is situated in a natural setting with a view of rolling hills and mountains. The interior has a wooden floor and a large, colorful mandala tapestry hanging on the wall. Several people are sitting on mats in a circle, some in lotus position and others in a more relaxed pose. A man in a bright yellow and blue shirt is in the foreground, looking towards the center. A woman in a black sports bra and brown pants is sitting in the center. A man in a red shirt is sitting on the right. A woman in a white sports bra and green pants is sitting on the right. A man in a white shirt is sitting on the right. A woman in a blue sports bra and black pants is sitting on the left. A man in a black t-shirt is sitting on the left. A woman in a black sports bra and brown pants is sitting in the center. A man in a red shirt is sitting on the right. A woman in a white sports bra and green pants is sitting on the right. A man in a white shirt is sitting on the right. A woman in a blue sports bra and black pants is sitting on the left. A man in a black t-shirt is sitting on the left. The dome has several circular windows and a central door. The floor is made of light-colored wood. There are some props like bolsters and blankets on the floor. The overall atmosphere is peaceful and serene.

Perfect for workshops, retreats, festivals, and daily practice, our fully customizable Yoga Domes resonate with subtle harmonic frequencies and are proven to be ideal structures for yogis and meditators around the world.

Suryalila- Spain

Located in Andalucia, Spain, Suryalila is home to the Om Dome where regular yoga classes are held, providing wellness and upliftment for hundreds of yoga students and teachers. The Om Dome has been dubbed the most magnificent Yoga Hall in Europe.

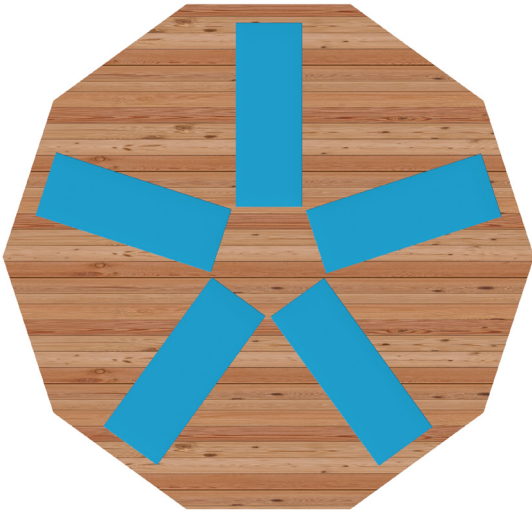

Ojai Yoga Crib

Nestled in the mountains of Ojai, California, the 36 foot yoga dome provides space for classes in breath work, meditation, chanting and dharma talks. Providing a number of advantages for a yoga practice, our domes were designed with human movement and acoustics in mind.
